

Looking For A Life

(Words by Andreas Mattson. Music by David Myhr and Ian Eskelin)

Tune guitar down one semitone.

^E So I got up and I got out ^B
I got a call; you're back in town ^{F#m7}
But I was going anyway ^A
Cause I don't care and I don't mind ^E
I've gotten over and besides ^B
I haven't missed you every day ^{F#m7}

^E Hope you don't think I'm still around ^B
Longing all the time ^{F#m7}
Dreaming every night ^E
Hope you don't think I'm still a mess ^{F#m7}
with you still on my mind ^A
Looking for a life ^B ^{Aadd9}

^E I wasn't heading anywhere ^B
It's a coincidence I swear ^{F#m7}
I was just going for a walk ^A
And now I'm here, the place we met ^E
But hey, no worries, no regrets ^B
If you showed up we could just talk ^{F#m7}

(chorus)

^{C#m} So I'm empty now and then ^A
(How about you?) ^E
And I sure could use a friend ^{G#7}
So if you've got nothing planned ^{C#m}
(Nothing to do) ^A
I've got nothing too

(repeat verse 1)

(chorus)
